Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

LAFAYETTE RECREATION CENTER – COMMUNITY ROOM, OUTDOOR BASKETBALL COURTS AND PARKING LOT

- Ok to film interior and exterior at Lafayette Recreation Center.
- Ok to film on outdoor basketball courts.
- Ok to use Recreation Center parking and must leave 4 spaces open and available for staff at all times.
- Ok to paint the walls of the Community Room and restore to original color.
- Ok to hang vertical blinds over the windows in the Community Room and restore to original conditions.
- Not allowed to permanently attach.
- Ok to dress the Community Room and restore to original conditions.
- Ok to place lights and run cables. Covering cables for safety.
- Ok to clamp lights using protective pads to overhead concrete beams in Community Room and restore to original conditions.
- Ok to frost or gel doors in Community Room and main hallway and restore to original conditions.
- Ok to place prop “Lafayette Community Center” sign adjacent to back gate and secure with 6 inch maximum camping stakes.
- Ok to remove and replace “Handicapped Parking” signs from parking lot and paint over the blue lines using sandblast paper.
- Ok to install freestanding fence to block view of transformers in parking lot.
- Ok to place potted plants in recessed dirt areas adjacent to asphalt path.
- Ok to place metal tables in lawn area outside Community Room.
- Ok to park an 80ft condor on concrete driveway to west of Community Room.
- Ok to enter off 6th Street with 80ft condor and must stay on the concrete path, no driving on or across the turf at any time.
- Company will provide a trailer outside the Recreation Center to accommodate programs displaced from Community Room beginning at 11:00am on March 27 and continuing until 10:00am March 29, 2012.
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.

- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- **Nudity is prohibited and not allowed in any Recreation and Parks facility.**
- Film permits do not provide exclusive use of a park or recreation area.
- **Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.**
- **A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.**
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permittee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permittee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permittee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
